

THE DECLARATION

I, hereby join the Obededom Covenant Challenge, I declare that I believe that Jesus Christ is the Son of God, and that He died for my sins on the Cross, and on the 3rd day God the Father raised Him (the Son) from death, so that I shall be justified (forgiven). Therefore, His blood has washed away my sins and I am now a new creature in Christ. Glory Hallelujah!

I decree and declare that I will follow instructions from the coordinators of this programme; join in the prayer meetings, teachings, and word declarations onsite or online consistently for these 3 months, and shall obey, worship, trust and love the Lord God and love my neighbours as I love myself in Jesus Christ's glorious and mighty name, Amen.
